	<b>Remembering Dr. Burt Kaliski</b>

## SESSION 1

### **LinkedIn: A Pathway to Success for Educators and Students**

Join us as **Stephen Foster** shares how he uses LinkedIn as an educator and student, and how that can work in your classroom as well.

### **Pathways to Successful Careers through the Community College System of NH**

As Director of College Access and DoE Programs at the Community College System of NH, Beth Doiron will share her expertise in the work being done at the state level.

## SESSION 2

### **On-line Competency-Based Learning**

Hear **Deo Mwano** share his expertise in helping students adapt to and succeed in a personalized, on-line competency program.

### **Making Networking Work for You**

**Dr. Ray Guillette** brings his extensive educational background and varied experiences to share how networking is essential in building your professional footprint.
